ADMINISTRATIVE INSTRUCTIONS INDEX

The majority of these instructions deal with annual dues and membership fees, Life Membership, procedures and schedules for re-registration, awards and recognitions, etc. The following Administrative instructions are to supplement the Ohio Society Regulations. Their purpose is:

1. to provide instructions and procedures where there are several steps and individuals involved, such as in processing new member applications; and
2. to provide direction where amendments are frequently required due to changes made by others, e.g. the National Society changing the annual membership registration dates, dues and fees and changes in the procedures.

Changes to these Administrative Instructions, the establishment of new Instructions, or deletion of an existing Instruction requires the Board of management review and approval.

CINCINNATI CHAPTER AMERICANISM YOUTH CONTEST GUIDANCE

The following guidelines are established to provide parameters within which to grow the captioned contests for the foreseeable future. This is not intended to be a set of rules governing the do's & don'ts of the contest but rather an attempt to establish a consistent formula or methodology for the execution, judging, contest winner selection and the award of prizes.

Additionally, the Executive Committee encourages the following priorities for the Youth Education programs:

- **First Priority** – pursue as many engagements with education institutions as possible with the specific objective of Education, Patriotism and History. Preference to be given to 4th grade and above.
- **Second Priority** – solicit student participation in Americanism Contests (Poster, Brochure, etc.)
- **Third Priority** – invitation to participate in CAR Chapter

For the contest events contemplated for fiscal years 2020 & 2021, the following shall apply:

IN SCHOOL CONTESTS, JUDGING & WINNER SELECTION

1. The Cincinnati Chapter shall budget in each of the aforementioned contest years sufficient funds to cover the participation of up to fifteen separate educational institutions to participate in the contest.

While it is unlikely that we will experience 15 participating institutions in the years 2020 & 2021 the funds will be available to support the awards activity.

2. Committee members should be mindful of opportunities to introduce the Middle School & High School institutions to the Eagle Scout, Oration and Essay Contest opportunities

BROCHURE & POSTER CONTESTS

1. Each educational institution shall be a separate competition, producing a First, Second and Third Place winner in both the Poster and the Brochure Contest. These checks will be the responsibility of the MC throughout the ceremony and will personally see them presented to the cognizant committee chairman at the time of the individual presentation.
5. Additionally, all certificates for contestants will have been signed prior to delivery to the venue.
6. The Color Guard shall be led by the Color Guard Commander and will work closely with the MC while planning his part of the program. The CG Commander is encouraged to undertake a recon of the venue prior to the event so as to provide the most effective instruction to the Color Guardsmen.

VENUE SET-UP AND TAKE-DOWN

1. The Goal here is to minimize the confusion of priorities that occurs in the hour prior to the event when everyone is trying to do last minute coaching and rehearsing of the presentation. This needs to be accomplished early. Additionally, it is designed to see that everyone is available to break down the set without leaving the task to the same two or three people.
2. All Staging, Flags, Screens, Projectors, Props, Awards, Prizes, etc. to be set up and ready for presentation one hour prior to the curtain rising or time of the event commencement.

Administrative Instruction—400-01

3. All committee briefings shall be completed one hour prior to the commencement time of the event.
4. Color Guard Commander to have completed the CG rehearsal prior to the event based upon the CG plan developed by the CG Commander and MC.
5. All members of the CG shall be present to Take-Down the CG flags and props.

COMPATRIOT / GUEST PROTOCOL

1. We are reminded that the Youth Awards Gala is being held to celebrate the contest winners. All Compatriots are encouraged to take tables and seating about the periphery of the room reserving the prime seating for honored guests and their families.
2. Compatriots and their family members are requested to mingle during the pre-event reception with the honored guests and their families—cordiality should be a hallmark of all SAR Events.

SUMMARY

Discussion of the guidelines contained herein is invited by all members of the Poster & Brochure Committee Members.

As always, recommendation for improvement of the experience for the students is a priority.

In the same fashion, the process of effective contest administration is important to the communication within the chapter.

While financials are always of significance—they need not be a part of this discussion. As noted in #1 above the budget is set to facilitate the expenses incurred in pursuing the expanded program and celebrations.

Should there be a need for props, equipment, presentation materials for enhancement of the experience then budgetary consideration is available upon presentation of a detailed proposal outlining the cost to chapter and benefits to the Youth Education process.

See Sample Program in Appendix–1.
