About our Program Participants

Speaker: Dr. Jeff Zalar, UC Associate Professor

Dr. Jeff Zalar served in the United States Marine Corps from 1987–91. He is a veteran of Operation "Just Cause" in Panama in 1989–90 and the Gulf War in Kuwait in 1990–91. He is now Associate Professor of Modern German and European History at the University of Cincinnati. Every other year since arriving at UC in 2012, he has taken students enrolled in his course on the Second World War to museums and battle sites in the United Kingdom and France, including Omaha Beach on the Normandy Coast. He lives in Mount Washington, where he is a member of American Legion Post #484.

Music: Queen City Sisters

A part of our Veterans Day Programs since 2019!
The Queen City Sisters are an a cappella women's trio that dazzles audiences with their tight harmony arrangements of songs from the

1930s through the 1950s. The group was formed in 2013 based on the desire to bring a touch of old Hollywood glamour to Cincinnati. They are employed to sing on the Cincinnati Dinner train. Jackie Stevens (soloist and Queen City Sister) relocated earlier this summer to San Antonio, Texas to be closer to family. She has been a part of our programs since 2013. We wish her well!

Some Notes...on the today's Music

Alexander's Ragtime Band is a Tin Pan Alley song by composer Irving Berlin released in 1911. It was featured in the 1943 film *Stage Door Canteen*, contributing to its WWII popularity.

<u>I'll Be Seeing You</u>, published in 1938, music by Sammy Fain & lyrics by Irving Kahal.

Sentimental Journey, published in 1944, the music was written by Les Brown and Ben Homer and the lyrics by Bud Green. Doris Day recorded it for Columbia Records in 1944.

Comin in on a Wing and a Prayer, published in 1943, music by Jimmy McHugh and lyrics by Harold Adamson. The song is the origin of the English idiomatic phrase "a wing and a prayer", which alludes to reliance on hope in a desperate situation.

<u>Accentuate the Positive</u>, a 1944 song by Harold Arlen and Johnny Mercer.

Chaplain: Col. Randy Fannin, Retired

Rev. Randy Fannin is a retired ordained Christian minister and a Board-Certified Chaplain with the Association of Professional Chaplains. In service, Chaplain Fannin was deployed as the US Army Chaplain supporting Operation Iraqi Freedom (2004-2005) and Operation Enduring Freedom in Afghanistan (2008-2009). In March, 2024 he assumed command of the Southwest Ohio Veterans of Foreign Wars (VFW) Memorial Team. Hamilton County Veterans Commission

The donation we received in 2024 was used to fund some of last year's and this year's program. In our proposal we included the following project.

A Special Project

Getting to know more about the Mohawk Honor Roll's Veterans

Our researcher, Monica Williams-Mitchell a librarian who has done family research for over 40 years. She has a special interest in Cincinnati and in World War II. Although not from the Mohawk neighborhood, her grandfather served as a Captain in the U.S. Army in both the European and Pacific theaters during WWII.

We asked her to gather and summarize basic information about the 608 Men and Women on the Mohawk Memorial. The information we assembled comes primarily from draft registration records, muster rolls, death records, and newspaper articles from the 1940's. Occasionally city directories, census records, immigration records and other sources were also consulted. For some service members, despite our best efforts, no information has come to light.
